B. COMMISSION RULES

- 1. Commission rate is the rates that are in effect on the application sign date of the issued policy.
- 2. The age used to determine the commission rate is the age at the application sign date, except for insured's ages 65 and under, where the age at the policy effective date will be used. For insured's within one month of their 65th birthday, age 65 will be used to determine the commission rate.
- 3. Commission is calculated on the lesser of initial premium or paid premium, less the Part B deductible offset on applicable plans. Medicare Part B deductible premium is not commissionable except for the state of Indiana.
- 4. Commission is not calculated on premium increases.
- 5. Unearned commission within any policy year will be charged back on any premium refunded to the policyowner.
- 6. Commission will not be charged back for a policy terminated due to death of the insured.
- 7. Commission for the Product is vested and may be credited to you after the termination date if (a) the policy remains in force, (b) the premiums for the policy are credited to Company, and (c) you are the writing agent and you remain the producer of record.
- 8. Internal Company Replacements. Company will calculate commission when a new United World Life Insurance Company Medicare Supplement policy replaces an existing United World Life Insurance Company Medicare Supplement policy, or an existing United World Life Insurance Company Medicare Select policy, and the producer of record does not change. Company will calculate the commission on the new internal replacement policy based upon the policy year of the policy currently being replaced.
- 9. Internal Company Replacement of a Policy previously issued as an Affiliate Company Replacement Policy: Company will calculate commission using the applicable "Affiliate Replacement" commission rate based upon the policy year of the policy currently being replaced.

- 10. Affiliate Company Replacements. Company will calculate commission when a new Medicare Supplement policy issued by United World Insurance Company ("United World") replaces an existing Medicare Supplement policy, Medicare Select policy or Medicare Supplement Trust policy or certificate issued by an affiliate company of United World (each, an "Affiliate Company"), and the producer of record does not change. Company will calculate the commission on the new United World replacement policy starting over at policy year 1.
- 11. For Internal Company and Affiliate Company replacements, commission will not be calculated or paid when the original producer of record changes.
- 12. Commission will not be calculated on replacements from the Agency or Direct to Consumer distributions to the Brokerage distribution.
- 13. Company may, from time to time, issue schedules with respect to the Product which (a) amend, replace or terminate this Schedule, or (b) identify whether the Product is eligible for bonuses.

C. GENERAL RULES AND DEFINITIONS

- 1. **Product Included.** The provisions and conditions of this Schedule shall apply only to the Product specifically identified in this Schedule as permitted by law.
- 2. **Non-assignment.** You may not assign or pledge as collateral any commission payable under this Schedule. Any attempt to assign commission under this Schedule shall be void.
- 3. **Administrative Rules.** Company's administrative rules, practices and procedures may be revised, modified or supplemented by Company from time to time.
- 4. Laws & Regulations. Commission on the Product set forth above may be adjusted as required by any applicable laws or regulations. In no event will Company be obligated to pay any compensation in excess of any applicable state compensation limitations.
- 5. **Not Confidential Information.** Commission payments payable, paid or provided to you pursuant to this Schedule are not confidential and may be required to be disclosed to customers and/or potential customers. You shall comply with all applicable federal, state and local laws and regulations, including without limitation, those laws requiring disclosure of compensation.

This Schedule is in addition to any other schedules currently in force or that may come into force in the future, but supersedes any prior schedules related to commission on the Product. This Schedule shall remain in effect until changed or terminated by Company.
